

Add Dependents Request Form

F-1 students who wish to add eligible dependents in F-2 status must submit this request form and provide the required supporting documentation. Eligible dependents include a spouse and/or unmarried children under 21 years of age. Belcroft University will review the request and, if approved, issue a Form I-20 for each eligible dependent.

Dependent I-20 Request Guidelines

Requests should be submitted at least 7 business days before the dependent's anticipated visa appointment or travel date. Students must demonstrate sufficient financial resources to support all dependents during their stay in the United States. Incomplete requests or missing documentation may delay processing.
