

Arrival Information Form

International students must submit this arrival information form to notify Belcroft University of their travel plans and expected arrival date in the United States, enabling the university to provide appropriate guidance and make necessary arrangements for their arrival and check-in.

Arrival Information Form Guidelines

Students should submit this form as soon as their travel itinerary has been confirmed. The form should be submitted at least seven business days before the planned arrival date whenever possible. Students are responsible for ensuring that all travel and contact information provided is accurate and up to date. Any changes to travel plans after submission should be reported promptly. Incomplete forms may delay arrival assistance and check-in processing.
